WIMTACH

RE: Front End Developer

Dear Hiring Manager,

I am applying for a position at WIMTACH because your mission and vision align with my values. As you'll see from my resume, what motivates me is working for organizations, like yours, that serve a higher purpose. I would love to bring my skills and experience to support your cause.

Reliable Front End Developer with 2 years of experience in the field. In all my work experiences, I have been effective in meeting development targets and highly cooperative when working with team members. I complete clean, error-free designs and support all kinds of projects with my abilities in debugging, website development and website optimization. Highly knowledgeable in documenting bugs and testing strategies to evaluate new features.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe that I can be a valuable addition to WIMTACH and your business goals. At your convenience, I am available for an interview or further discussion. I look forward to your response.

Yours Faithfully,

Sanidhya Mishra
